

CALLING ALL RESTAURANTS!!

CDC recommended guidelines say you should not be using sharable menus, instead everyone should have a disposable menu or a digital menu.

Here at Blasi Printing we have you covered. We have options available with disposable menus as well as digital menus. We can supply your restaurant or bar with a QR code that a customer can scan to view your menu and limit contact points in your restaurant/bar.

Give us a call at 570-824-3557 to get started right away!!
