

Cooper® Sharp Rebate

Creamy Texture. Bold Flavor. Wit' Cooper Sauce, Everything's Better.

Valid November 3, 2025
thru March 31, 2026

Wit' or without... wiz? Forget the debate - now adding that craveable flavor of Cooper Sharp in an oozy, drizzly sauce to menu creations has gotten so much easier. Think big. Think bold. Think sauce-drenched perfection for the foodservice hustle. Use it as a Philly-style wiz, a creamy mac & cheese base, or a golden drizzle over loaded fries, nachos, pretzels, burgers, hot dogs, and chicken tenders. The possibilities? Endless. The flavor? Unforgettable. Want a signature twist? Stir in house-blend spices, smoky sauces, or even a splash of craft ale. Cooper Sharp Sauce plays well with bold ideas—and even bolder flavor profiles.

According to a recent NRN articles by Technomic, this trend is being driven by:

- The way cheese sauce creates additional flavor, smooth texture, and visual appeal of dishes.
- The ability for operators to create distinct brand identity without complicating their kitchen operations.
- The desire more-than-half of consumers have for customizing their meals with add-ons – like dipping sauces.
- The fact that diners are willing to pay extra for portions of dipping sauces which drives incremental revenue.
- The preference consumers have for warm cheese dipping sauces, which creates opportunities for operators to cross-utilize sauces across menu dayparts.
